The consolidated financial report was approved by the directors as at the date of the director's report

The consolidated financial report is for the entity HOPE worldwide (Australia) Limited consolidated as a group to include any other entities that HOPE worldwide (Australia) Limited controls. HOPE worldwide (Australia) Limited is a company limited by guarantee, incorporated and domiciled in Australia. HOPE worldwide (Australia) Limited is a not-for-profit entity for the purpose of preparing the financial statements.

This report includes 12 months from 1 April 2022 to 31 March 2023. The comparative figures within these accounts also cover a 12 month period from 1 April 2021 to 31 March 2022

The following is a summary of the material accounting policies adopted by the company in the preparation and presentation of the consolidated financial report.

##### **(a) Basis of preparation of the financial report**

###### *Historical Cost Convention*

The financial report has been prepared on an accruals basis and is based on historical costs. It does not take into account changing money values or, except where stated, current valuations of non-current assets. Cost is based on the fair value of the consideration given in exchange for assets

##### **(b) Revenue**

Revenue from the rendering of services is recognised upon delivery of the service to the customers. Revenue from donations and fundraising activities is recognised when the company receives the monies and records them in the books and records.

All revenue is stated net of the amount of goods and services tax (GST)

##### **(c) Income tax**

No provision for income tax has been raised as the company, and all members of the group, are exempt from income tax under Division 50 of the *Income Tax Assessment Act 1997*.

Notes to the Consolidated Financial Statements  
For the year ended 31 March 2023

**(d) Cash and cash equivalents**

Cash and cash equivalents include cash on hand and at banks, short-term deposits with an original maturity of three months or less held at call with financial institutions, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities on the statement of financial position.

**(e) Employee benefits**

*(i) Short-term employee benefit obligations*

Liabilities arising in respect of wages and salaries, annual leave, and any other employee benefits expected to be settled within 12 months of the reporting date are measured at their nominal amount, based on remuneration rates which are expected to be paid when the liability is settled. The expected cost of short-term employee benefits in the form of compensated absences such as annual leave is recognised in the provision for employee benefits. All other short-term employee benefit obligations are presented as payables.

*(ii) Long-term employee benefit obligations*

Liabilities arising in respect of long service leave and annual leave which is not expected to be settled within 12 months of the reporting date are measured at the present value of the estimated future cash outflow to be made in respect of services provided by employees up to the reporting date.

*(iii) Long-term employee benefit obligations (cont)*

Employee benefit obligations are presented as current liabilities if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting date, regardless of when the actual settlement is expected to occur.

**(f) Goods and services tax (GST)**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

Cash flows are presented in the statement of cash flows on a gross-basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

**(g) Comparatives**

Where necessary, comparative information has been reclassified and repositioned for consistency with current year disclosures.

**NOTE 2: CRITICAL ACCOUNTING ESTIMATES AND JUDGEMENTS**

The preparation of financial statements in conformity with the Australian Accounting Standards require the use of certain critical accounting estimates. It also requires the company to exercise its judgement in the process of applying the accounting policies. Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of the future events that are believed to be reasonable under the circumstances.

*(a) Critical judgements in applying the accounting policies*

In the process of applying the company's accounting policies, the company makes various judgements apart from those involving estimations. Judgements made by management in the application of Australian Accounting standards are disclosed in the relevant notes to the financial statements

Hope Worldwide (Australia) receives funds from individual supporters and third party organisations in Australia. Revenue is recognised when amounts are received and the company has control over those funds. There is an inherent risk that some funds collected by third parties may not be passed on to the company in full. This risk is beyond the internal control environment of the company. The directors assert that Hope Worldwide (Australia) is not entitled to recognise those funds collected by the third party organisations as revenue until the funds are received by the company.

*(b) Critical accounting estimates and assumptions*

The company makes estimates and assumptions concerning the future. The resulting accounting estimates, by definition, will seldom equal the related actual results. The estimates and assumptions used in the current year are unlikely to have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

In our opinion the financial report of Hope Worldwide (Australia) Limited has been prepared in accordance with Division 60 of the Australian Charities and Not-for-profits Commission Act 2012, including:

- a) giving a true and fair view of the Group's financial position as at 31 March 2023 and of its financial performance for the year then ended; and
- b) complying with Australian Accounting Standards – Simplified Disclosure and Division 60 of the Australian Charities and Not-for-profits Commission Regulation 2022.

#### Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Company in accordance with the auditor independence requirements of the Australian Charities and Not-for-profits Commission Act 2012 (ACNC Act) and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Responsibilities of Directors for the Financial Report

The Directors of the Company are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards and the ACNC Act 2012 and for such internal control as the directors determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The Directors are responsible for overseeing the Group's financial reporting process.

#### **Auditor's Responsibilities for the Audit of the Financial Report**

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the registered entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.
