

Update from PNG

- The PNG government is unable to fund Health and Education services due to the impact of the COVID19 pandemic in addition to a fragile economy
- No salary has been paid to government healthcare workers so far in 2021
- Recent escalation in COVID19 cases has led to health workers contracting the virus due to lack of Personal Protective Equipment
- Clinics and Hospitals are closing across the country putting vulnerable populations at great risk- this includes the elderly, people living with HIV and those with Tuberculosis infection
- Priority needs:
 - Food-aid for families facing destitution
 - Support to primary health care services to keep them open
 - Support to Education to keep schools open and support for school fees

9 MILE URBAN CLINIC

A woman wearing a light blue polo shirt and a dark crossbody bag stands on the left side of the frame. She is holding a small, colorful, rectangular object, possibly a piece of fabric or a small bag, in her hands. She has a purple ribbon pinned to her shirt.

The table in the center is covered with a pink floral tablecloth and is cluttered with various supplies. There are several white plastic containers, some containing small bottles or pills. A black tape dispenser is visible on the left side of the table. There are also some papers and a small white jar on the table. The supplies appear to be organized for distribution or use.

A woman wearing a white polo shirt and glasses is seated at the table. She has a red ribbon pinned to her shirt. She is smiling and looking towards the camera. She is wearing a patterned bag on her lap.

A woman wearing a light blue polo shirt is seated at the table on the right side. She is smiling and looking towards the camera. She has her hair pulled up in a bun. A black coffee cup is visible on the table in front of her.

The wall behind the women is covered with several papers and notices. Some of the papers have text and tables, but they are mostly illegible due to the angle and distance. The papers are pinned to the wall and appear to be official documents or notices.

A row of blue lockers is visible on the right side of the image. The lockers are arranged in a vertical column and have small handles. Some lockers have small photos or notices pinned to them. The lockers are set against a light-colored wall.

Christmas Shoebox Project 2020

- Thanks to donations from the SPA Region Churches of Christ we were able to provide shoe boxes full of school supplies to children at Mercy Care school and Badihagwa
- The school supplies were packed into school backpacks... also much needed by the children!
