JULY 2022 NEWSLETTER

The HOPE Day of Giving

The HOPE Day of Giving is our annual appeal to raise funds for programs to help the poor across our region. In the book of Deuteronomy, we are reminded about God's heart for the poor and His expectation for us to have the same attitude:

Deuteronomy 10:18-19

¹⁸He defends the cause of the fatherless and the widow, and loves the foreigner residing among you, giving them food and clothing. ¹⁹And you are to love those who are foreigners, for you yourselves were foreigners in Egypt.

Last year we raised approximately \$30,000 to support vulnerable communities in Fiji and PNG, which helped thousands of people. Volunteers from the Churches and the HOPE staff in Papua New Guinea have multiplied the impact of your donation. **Thank you!**

School children in Papua New Guinea benefitting from education support

This year our goal is to raise **\$40,000** to meet ongoing needs in Fiji and PNG.

How Funds Will Be Used

For PNG:

- Mercy Care School - supporting 250 students, teachers' salary, stationary, training and a nurturing care framework which will improve the health and wellbeing of the children;
- Rebuilding a small health clinic in Kalvary, PNG, where we have a remote Church of Christ; and
- Building fund for a future HOPE Community Centre in Port Moresby.

For Fiji (in partnership with Rosie Holidays):

- Providing food aid to vulnerable families;
- A volunteer trip to refurbish a village clinic; and
- Child minding services, and a kindergarten to provide a safe learning environment for children.
