

Dear Friend,

December 2020

Thank you for your support through 2020. As we move towards 2021, we hope and pray to see the end of the Global Pandemic and for more opportunities to serve those in need.

Praying for you and your family to have a joyful and peaceful Christmas and New Year. I hope the update below can inspire you to have the heart to love your neighbour and remember the poor!

Warm Regards

Mark
